Despatch - We wish to send your goods by the most convenient and economical way. Please tell us the name of the town to which you want your goods sent; and by what means, by road transport, by rail or by post. Postal charges are now comparable with rail charges, especially for bulky items, and even for fairly heavy orders. If you calculate the weight of your order and ring your Post Office, they will tell you the postage so you can include it in the payment for your order.
